

IT'S SNOWING! (OR WHY YOU SHOULD PLAN YOUR WINTER VACATION NOW.)

THANKSGIVING SPECIAL~ Get Wednesday night & your Thanksgiving dinner **FREE!**

Your 4-night stay over Thanksgiving gets you this incredible deal. But we have 2 and 3 night "Eat & Stay" options available too!

We'll have activities every night, of course, and you can work up an appetite snowshoeing, hiking, sledding, swimming & hot tubbing. If Mother Nature cooperates, Crystal will open — and we can even pick up a Christmas tree permit for you so you can cut your own Christmas tree. How fun!

Still a few Christmas Break openings too!

This is another perfect way to create memories, and we still have a few openings for winter break. **We even have some special rates for pre-Christmas stays,** and, believe it or not, we still have a few (very few) openings for the week between Christmas and New Year's.

Why not make this the year you come up for the holidays? After all, as Warren Miller says, "If you don't do it this year, you'll just be one year older when you do."
